

Quick and efficient onboarding

iKas; a global recruitment business, were looking for an automated screening solution. iKas had an existing, positive, relationship with PayStream's umbrella business which gave them confidence to hand over their screening operation to PayStream. Here we discuss their experience of using the service.

An expert team: iKas benefit from PayStream's dedicated team of vetting professionals, along with the ability to access unlimited compliance profiles, free of charge. Over 50 checks are available, including right to work, DBS and industry standards such as BPSS. The team expertly interpret the needs of iKas and their clients, ensuring that their candidates are screened compliantly, in line with those requirements.

"Needs are met quickly and always compliment the clients profile requirements. We would **happily recommend PayStream to anyone** looking for a screening solution. The service is five star and has **far exceeded my expectations**. We now have a partner in PayStream that understands our needs not only in screening but also contractor payroll".

Quick turnaround: iKas are particularly impressed with the team's responsiveness which ensure timely results such as new screening profiles being implemented within 24 hours of request.

"It is so easy to contact the candidate screening team, the response time is excellent. New screening profiles are easy to implement and are usually **in place within 24 hours** of being requested".

Strong partnership: The relationship with PayStream has become invaluable to iKas. Their needs are met promptly and the platform and service had exceeded their expectations. iKas feel that they have a strong partnership with PayStream that benefits their business.

"Handing over our screening to PayStream has been easily one of the best business decisions we have made in the last five years, the service is first rate and **the relationship we now have is invaluable** ...We are delighted with PayStream, but I would like to highlight a couple of your team, especially Emily Ronan for her **exceptional customer service and helpfulness** and also Cat Smallwood and Kayleigh Hodson".

In summary, PayStream's Candidate Screening service exceeded expectations, demonstrating our commitment to excellence and understanding of both screening and contractor payroll needs. iKas now has a trusted partner that truly understands their needs.
